Claudia,

I cannot get the draft response document to open. (I didn't have any problem opening the document with Janet's comments, so I'm not sure what the problem is.) I will appreciate it if you will send it to me as a word document. Thanks.

Rick

All, we received the summary of EO 12866 and 13563 interagency comments on the draft U&O

Reservation existing oil and natural gas source FIP and need to draft responses so we can keep this process moving. This is the first of two 2-hour meetings in the next couple weeks to go through each of the comments (90+) to generally discuss potential responses and assign appropriate team members to draft the responses.

The draft response document that contains all of the comments has been posted to the SharePoint: https://usepa.sharepoint.com/sites/R8_Work/tribalFIPs/UOUintaBasinFIP/Regulatory%20Documents/Forms/AllItems.aspx

Thank you in advance for any help you can provide us,

Claudia
